Guests gathered at Cabaleiro Atelier and Art School to fete the launch of holistic lifestyle brand Saakalya, which includes the Saakalya Collection, Saakalya Travel and Saakalya Yoga, offering Southeast Asian décor, weekend getaways and yoga sessions respectively. Guests nibbled Balinese-inspired canapés by Diana von Cranach from Puri Ganesha Villas Bali, who, along with the evening's host, artist Patricia Cabaleiro, will be working with Saakalya on creating unique art- and culinary-themed experiences.
